The Tourist Overcoat

Is a great favorite. If a Coat can confer distinction on the wearer, a "Tourist" certainly does. It is a long, wide-shouldered Coat, loose fitting in the back, where it is confined by a belt. It is made from choice fabrics—some quite fancy—broken plaids and checks. It is not too heavy, as the fabric is of the weight used for suits. Some are single-breasted, some double. Some have velvet collars. \$12, \$15, \$18 up to \$25 is the price range.
